

# Ecocity World Summit 2022 - Programme at a Glance

Summit Time Zone: Central European Summer Time (CEST)

Legend	Plenary	ACADEMIC PARALLEL SESSIONS	WORKSHOP SESSIONS	Pecha Kucha
--------	---------	----------------------------	-------------------	-------------

## Tuesday, February 22, 2022 Ecocity Virtual World Summit

Time/Place	Hall A				
10:30-12:00	<p align="center"><b>PLENARY KEYNOTE SESSION</b></p> <p align="center">Nico Tillie, Andy van den Dobbelsteen: Introduction to Delft &amp; Rotterdam            Arjan van Timmeren (Scientific Director, Resilient Delta Initiative): The need for a new approach in the convergence of crises            Arnoud Molenaar (Chief Resilience Officer, City of Rotterdam): Making Rotterdam resilient            Annemieke Fontein (Head of Landscape Architecture, City of Rotterdam): Greening of Rotterdam            followed by Q&amp;A</p>				
12:00 - 13:00	Lunch Break				
Time/Place	Hall A	Hall B	Hall C	Hall D	
13:00 - 14:30	<p align="center"><b>Biodiversity</b></p> <p>From building to ecosystem by <b>Nico Tillie</b>            Avian conservation in a changing urban landscape by <b>Jip Louwe Kooijmans</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Circular</b></p> <p>The Sustainable Campus by <b>Andy van den Dobbelsteen</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Resilient</b></p> <p>Landscape-based Urbanism by <b>Steffen Nijhuis</b>            From artificial scarcity to natural abundance by <b>Russell Galt</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Healthy &amp; cross cutting</b></p> <p>Climate adaptation by <b>Marjolein Pijpers-van Esch</b>            Co-creating sustainable urban solutions by <b>Katharina Hölscher</b>            Abstracts presentations followed by Q&amp;A</p>	
14:30 - 14:45	Tea Break				
14:45 - 16:15	<p align="center"><b>Biodiversity</b></p> <p>Do we really want biodiversity - do we realize what that entails? by <b>Marco Roos</b>            Delivering nature-based solutions through urban forestry by <b>Cecil Konijnendijk</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Circular</b></p> <p>Critical Materials in the biodiverse, circular, healthy and resilient city by <b>David Peck</b>            The Future City as Superorganism by <b>Greg Keffe</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Resilient</b></p> <p>Connecting the ResilientCity, BiodiverCity, &amp; AgriCity by <b>Rob Roggema</b>            Reconnecting urban and rural perspectives by <b>Bertram de Rooij</b>            Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Healthy &amp; cross cutting</b></p> <p>Ecocity Digital Twins and the Localized Ecocity Model by <b>Kirstin Miller</b>            Revisiting the concept of healthy communities after covid 19 by <b>Sahar Attia</b>            Abstracts presentations followed by Q&amp;A</p>	
16:15 - 16:30	Tea Break				
Time/Place	PLENARY KEYNOTE SESSION				
16:30 - 18:30	<p align="center">Hall A</p> <p align="center">Nico Tillie, Andy van den Dobbelsteen, Kirstin Miller: Opening Keynote            Dick van Gameren: Welcome            Nadina Galle: Internet of nature            Winy Maas: Future green cities            Nico Tillie, Andy van den Dobbelsteen: Open Discussion with the Speakers</p>				
18:30 - 19:00	Pizza Break				
Time/Place	LIVE WORKSHOP SESSIONS				
19:00 - 20:30	<p>Workshop title: Urban Ecology &amp; Urban Forestry            workshop leads: Cecil Konijnendijk/Jacques Vink</p>	<p>Workshop title: Circular Built Environment            workshop lead: Tanya Tsui</p>	<p>Workshop title: Nature-based solutions and coastal development            Workshop lead: Steffen Nijhuis</p>	<p>Workshop title: Circular Neighborhoods and Jobs            Workshop lead: Margaux Ginestet</p>	<p>Workshop title: COST Circular City Use of Nature-based Solutions for Circular Cities            Workshop lead: Günter Langergraber</p>

**Wednesday, February 23, 2022**

Time/Place	PLENARY SESSION Hall A			
8:30 - 9:20	<p align="center"><b>Kobie Brand, deputy director ICLEI World: Nature Based Solutions in Urban Environments</b>  <b>Martina Otto, UNEP: Nature-based Solutions in Cities</b>                      followed by Q&amp;A</p>			
9:20 - 9:30	Meet the Exhibitors and View the ePosters			
Time/Place	Hall A	Hall B	Hall C	Hall D
9:30 - 11:00	<p align="center"><b>Urban Ecology; water and ecology as urban conditions</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Low-carbon, renewable energy systems &amp; measuring circularity</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Resilient coastal landscapes, urban deltas ports</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Clean and healthy air, water and soil - nature and people's health</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>
11:00 - 11:30	Meet the Exhibitors and View the ePosters			
Time/Place	Hall A	Hall B	Hall C	Hall D
11:30 - 13:00	<p align="center"><b>Session title: Critical infrastructure and extreme events, landscape based adaptation</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Urban metabolism and urban homeostasis, energy &amp; water efficiency</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Resilient communities</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Social-ecological inclusive urbanism</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>
13:00 - 14:00	Break for Exhibition and E-Poster Viewing			
Time/Place	Hall A	Hall B	Hall C	Hall D
14:00 - 15:30	<p align="center"><b>Session title: Education, communication, awareness &amp; Cocreation</b></p> <p align="center">Abstracts presentations</p>	<p align="center"><b>Session title: Biobased materials and products, energy &amp; food</b></p> <p align="center">Abstracts presentations</p>	<p align="center"><b>Session title: Adaptive urban (coastal) landscape planning and design</b></p> <p align="center">Abstracts presentations</p>	<p align="center"><b>Session title: Environmental challenges and local communities</b></p> <p align="center">Abstracts presentations</p>
15:30 - 16:00	Break for Exhibition and E-Poster Viewing			
Time/Place	Hall A	Hall B	Hall C	Hall D
16:00 - 17:30	<p align="center"><b>Session title: Systems approaches to urban change &amp; green infrastructure</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Governance &amp; transitions Participatory &amp; co-creating urban transformations</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Nature-based solutions linked to urban design and resilient urban development</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>	<p align="center"><b>Session title: Integrating disciplines and knowledge sectors with new thinking and innovation</b></p> <p align="center">Abstracts presentations followed by Q&amp;A</p>
17:30 - 18:00	Networking Party			
Time/Place	PLENARY SESSION Hall A			
	<p align="center"><b>James Ehrlich: ReGen Cities</b>  <b>Yvonne Lynch: Urban greening and climate adaptation in Riyadh</b>                      followed by Q&amp;A</p>			

Thursday, February 24, 2022

PLENARY SESSION				
Hall A				
8:30 - 9:20	<p><b>Tyson Yunkaporta:</b> Indigenous thinking  <b>Ronan Dantec (President, Climate Chance Association):</b> Climate &amp; Territorial Planning                      followed by Q&amp;A</p>			
9:20 - 9:30	Meet the Exhibitors and View the ePosters			
Time/Place	Hall A	Hall B	Hall C	Hall D
9:30 - 11:00	<p>Session title: Heat island effects, COVID 19</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Food-energy-water-space nexus &amp; measuring Circular Economy</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Nature-based solutions linked to urban design and resilient urban development</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Healthy City / HC08. Heat island effects, heat waves, resilience and health</p> <p>Abstracts presentations followed by Q&amp;A</p>
11:00 - 11:30	Break for Exhibition and E-Poster Viewing			
Time/Place	Hall A	Hall B	Hall C	Hall D
11:30 - 13:00	<p>Session title: Balancing the urban and the natural-nature driven urbanism</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Participatory &amp; co-creating urban transformations</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Nature-based solutions linked to designing green space in high-density environments</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Biking &amp; Walking - Covid 19 response and Equity</p> <p>Abstracts presentations followed by Q&amp;A</p>
13:00 - 14:00	Break for Exhibition and E-Poster Viewing			
Time/Place	Hall A	Hall B	Hall C	Hall D
14:00 - 15:30	<p>Session title: Green infrastructure and urban forestry</p> <p>Abstracts presentations</p>	<p>Session title: Integrating disciplines and knowledge sectors with new thinking and innovation</p> <p>Abstracts presentations</p>	<p>Session title: Adaptive urban landscape planning and design</p> <p>Abstracts presentations</p>	<p>Session title: Food and diets, COVID-19 7 co-creation</p> <p>Abstracts presentations</p>
15:30 - 16:00	Break for Exhibition and E-Poster Viewing			
Time/Place	Hall A	Hall B	Hall C	Hall D
16:00 - 17:30	<p>Session title: Nature-inclusive design &amp; planning &amp; measuring biodiversity</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Overview from measuring to materials, carbon, materials and food</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Resilient communities, clean air, nature inclusiveness</p> <p>Abstracts presentations followed by Q&amp;A</p>	<p>Session title: Integrating disciplines and knowledge sectors with new thinking and innovation</p> <p>Abstracts presentations followed by Q&amp;A</p>
17:30 - 18:00	Break for Exhibition and E-Poster Viewing			
PLENARY SESSION				
Hall A				
18:00 - 19:00	<p><b>Willem Ferwerda:</b> Ecosystem restoration                      followed by Q&amp;A  <b>Steven Bercu:</b> Hand-over of the next Ecocity World Summit  <b>Nico Tillie, Andy van den Dobbsteun, Kirstin Miller:</b> Closing Ceremony</p>
