

Ecocity World Summit 2022 - Programme at a Glance*

*For the full schedule, please visit the Interactive Programme.

Legend:

PLENARY SESSION (keynote speeches)	ACADEMIC SESSION (orals)	PECHA KUCHA SESSION (short orals)	Time Zone: Central European Time (CET)
WORKSHOP SESSION	NETWORKING EVENT	BREAK	

Tuesday, 22 February 2022

Time/Hall	PLENARIES			
10:30-12:00	PLENARY KEYNOTE SESSION 01 Nico Tillie: Introduction to Delft & Rotterdam Arjan van Timmeren, Scientific Director, Resilient Delta Initiative: The need for a new approach in the convergence of crises Arnoud Molenaar, Chief Resilience Officer, City of Rotterdam: The Rotterdam case – a resilient ecocity Pieter de Greef, Tidal River Park Rotterdam: The River as central public space followed by Q&A			
12:00 - 13:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
13:00 - 14:15	Biodiversity 01 From building to ecosystem by Nico Tillie Avian conservation in a changing urban landscape by Jip Louwe Kooijmans Abstract presentations followed by Q&A	Circular 01 The Sustainable Campus by Andy van den Dobbelsteen Abstract presentations followed by Q&A	Resilient 01 Landscape-based Urbanism by Steffen Nijhuis Reconnecting urban and rural perspectives by Bertram de Rooij Abstract presentations followed by Q&A	Healthy & cross cutting 01 Designing with vegetation in urban environments by Marjolein Pijpers-van Esch Abstract presentations followed by Q&A
14:15 - 14:45	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
14:45 - 16:00	Biodiversity 02 Do we really want biodiversity - do we realize what that entails? by Marco Roos Delivering nature-based solutions through urban forestry by Cecil Konijnendijk Abstract presentations followed by Q&A	Circular 02 Critical Materials in the biodiverse, circular, healthy and resilient city by David Peck From artificial scarcity to natural abundance by Russell Galt Abstract presentations followed by Q&A	Resilient 02 The Future City as Superorganism by Greg Keeffe Abstract presentations followed by Q&A	Healthy & cross cutting 02 Revisiting the concept of healthy communities after Covid-19 by Sahar Attia Insights and Round Table Discussion from Cairo with moderator Heba Khalil Q&A
16:00 - 16:30	Break for Exhibition and E-Poster Viewing			
Time/Hall	PLENARIES			
16:30 - 18:30	PLENARY KEYNOTE SESSION 02 & OPENING CEREMONY Nico Tillie, Andy van den Dobbelsteen: Opening Keynote Dick van Gameren, Dean of the Faculty of Architecture and the Built Environment: Welcome Nadina Galle, CEO, Ecological Engineer: Internet of nature Winy Maas, MVRDV, Founding Partner and Principal Architect: Future green cities Nico Tillie, Andy van den Dobbelsteen: Open Discussion with the Speakers			
18:30 - 19:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	WORKSHOPS			
19:00 - 20:30	Workshop 01: Making Urban Nature – Collaboration for Biodiverse Urban Environments with Cecil Konijnendijk and Jacques Vink	Workshop 02: Socio-spatial consequences of transitioning to a circular built environment: towards new research agendas with Tanya Tsui	Workshop 03: COST Circular City Use of Nature-based Solutions for Circular Cities with Nataša Atanasova

PLENARY SESSION (keynote speeches)	ACADEMIC SESSION (orals)	PECHA KUCHA SESSION (short orals)	Time Zone: Central European Time (CET)
WORKSHOP SESSION	NETWORKING EVENT	BREAK	HALL NAME in the Virtual Platform

Wednesday, 23 February 2022				
Time/Hall	PLENARIES			
8:30 - 9:20	PLENARY KEYNOTE SESSION 03 Kobie Brand, Deputy director ICLEI World: Nature Based Solutions in Urban Environments Yvonne Lynch, Royal Commission for Riyadh City, Saudi Arabia: Urban greening and climate adaptation in Riyadh followed by Q&A			
9:20 - 9:30	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
9:30 - 11:00	Biodiversity 03: Urban Ecology; water and ecology as urban conditions Abstract presentations followed by Q&A	Circular 03: Low-carbon, renewable energy systems & measuring circularity Abstract presentations followed by Q&A	Resilient 03: Resilient coastal landscapes, urban deltas ports Abstract presentations followed by Q&A	Healthy 01: Clean and healthy air, water and soil - nature and people's health Abstract presentations followed by Q&A
11:00 - 11:30	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
11:30 - 13:00	Biodiversity 04: Critical infrastructure and extreme events, landscape based adaptation Abstract presentations followed by Q&A	Circular 04: Urban metabolism and urban homeostasis, energy & water efficiency Abstract presentations followed by Q&A	Healthy 02: Social-ecological inclusive urbanism Abstract presentations followed by Q&A	
13:00 - 14:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	PECHA KUCHAS			
14:00 - 15:00	Pecha Kucha Biodiversity 01: Education, communication, awareness & Cocreation Abstract presentations	Pecha Kucha Circular 01: Biobased materials and products, energy & food Abstract presentations	Pecha Kucha Resilient 01: Adaptive urban (coastal) landscape planning and design Abstract presentations	Pecha Kucha Healthy 01: Food and diets, COVID-19 & co-creation Abstract presentations
15:00 - 16:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
16:00 - 17:30	Biodiversity 05: Systems approaches to urban change & green infrastructure Abstract presentations followed by Q&A	Circular 05: Governance & transitions Participatory & co-creating urban transformations Abstract presentations followed by Q&A	Resilient 05: Nature-based solutions linked to urban design and resilient urban development Abstract presentations followed by Q&A	Healthy 03: Integrating disciplines and knowledge sectors with new thinking and innovation Abstract presentations followed by Q&A
17:30 - 18:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	PLENARIES			
18:00 - 19:00	PLENARY KEYNOTE SESSION 04 James Ehrlich, CEO, ReGen Villages Holding: Software enabled, bio-regenerative and resilient (self-reliant) neighbourhoods Dirk van Peijpe, Owner of the Urbanisten: Designing the Climate Sensitive City followed by Q&A			
19:00 - 20:00	NETWORKING PARTY

Legend:	PLENARY SESSION (keynote speeches)	ACADEMIC SESSION (orals)	PECHA KUCHA SESSION (short orals)	Time Zone: Central European Time (CET)
	WORKSHOP SESSION	NETWORKING EVENT	BREAK	HALL NAME in the Virtual Platform

Thursday, 24 February 2022				
PLENARIES				
Time/Hall	PLENARY KEYNOTE SESSION 05			
8:30 - 9:20	Rob Roggema, Director, Cittaideale - InHolland University of Applied Sciences: Connecting the ResilienCity, BiodiverCity, & AgriCity Eric Luiten, Professor of Landscape Architecture, TU Delft: Room for the River - climate adaptation and spatial quality followed by Q&A			
9:20 - 9:30	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
9:30 - 11:00	Biodiversity 06: Heat island effects, COVID 19 Abstract presentations followed by Q&A	Resilient 06: Nature-based solutions linked to urban design and resilient urban development Abstract presentations followed by Q&A	Healthy 04: Healthy City / HC08. Heat island effects, heat waves, resilience and health Abstract presentations followed by Q&A	
11:00 - 11:30	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
11:30 - 13:00	Biodiversity 07: Balancing the urban and the natural- nature driven urbanism Abstract presentations followed by Q&A	Circular 07: Participatory & co-creating urban transformations Abstract presentations followed by Q&A	Resilient 07: Nature-based solutions linked to designing green space in high-density environments Abstract presentations followed by Q&A	Healthy 05: Biking & Walking - Covid 19 response and Equity Abstract presentations followed by Q&A
13:00 - 14:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	PECHA KUCHAS			
14:00 - 15:10	Pecha Kucha Biodiversity 02: Green infrastructure and urban forestry Abstract presentations	Pecha Kucha Circular 02: Integrating disciplines and knowledge sectors with new thinking and innovation Abstract presentations	Pecha Kucha Resilient 02: Adaptive urban landscape planning and design, environmental challenges and local communities Abstract presentations	Workshop 04: Circular Neighborhoods and Jobs with Margaux Ginestet, UNEP
15:10 - 16:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	ACADEMIC SESSIONS			
16:00 - 17:30	Biodiversity 08: Nature-inclusive design & planning & measuring biodiversity Abstract presentations followed by Q&A	Circular 08: Overview from measuring to materials, carbon, materials and food Abstract presentations followed by Q&A	Resilient 08: Resilient communities, clean air, nature inclusiveness Abstract presentations followed by Q&A	Healthy 06: Integrating disciplines and knowledge sectors with new thinking and innovation Abstract presentations followed by Q&A
17:30 - 18:00	Break for Exhibition and E-Poster Viewing			
Time/Hall	PLENARIES			
18:00 - 19:00	PLENARY KEYNOTE SESSION 06 & CLOSING CEREMONY Willem Ferwerda, CEO, Commonland Foundation: Ecosystem restoration Nico Tillie & Andy van den Dobbelsteen: Round-table discussion Andy van den Dobbelsteen: Best presentation award Kirstin Miller: Hand-over of the next Ecocity World Summit & next destination announcement Nico Tillie & Andy van den Dobbelsteen: Final Words
